

BOS NOTES

- every driver responsible for pit crew. Any driver or crew entering another pit will be subject to fine / suspension.
- Drivers must be in correct lineup order when heading into race track. We will not wait for stragglers. Cars come to white flag after entering track.
- Drivers going to scale after heats will stay in infield until next heat race finishes. No delay in heat race program.
- Any driver causing 3rd caution will be sent to pits.
- All drivers get 3 laps during hot laps. After checkered waves take cool down lap and leave racetrack.
- During All cautions field goes to single file to work on lineup
- 1st feature race will be called 5 minutes into intermission. Drivers must be ready and in line when intermission wraps.
- There will be zero on-track activity after the final feature race wraps. Track is closed.
- Our aim is to run a well-organized racing program and all drivers must co-operate.
- Respect goes both ways between drivers/crew and officials.
